Patent Assignment

Inventors: Santosh Kumar, Subodh Kumar, and Divyanshu Verma

Title: Magnetic Memory Device and Method for Magnetic Reading and Writing

WHEREAS, we, Santosh Kumar, Subodh Kumar, and Divyanshu Verma have developed the invention described in U.S. patent application Serial Number 10/725,706, filed 12/2/2003 with the foregoing title; and

WHEREAS, CM Innovations Inc., having offices at 1800 Wyatt Drive Suite 9 Santa Clara CA 95054 ("Assignee") is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, in consideration of a good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, we hereby transfer to Assignee, its successors and assigns, the entire right, title and interest in and to the invention throughout the world, the above-identified application and all continuations, continuations-in-part, divisionals, reissues or reexaminations hereof or related thereto, all corresponding domestic and foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention. Further, we authorize the Commissioner of Patents and Trademarks of the United States, or foreign equivalent thereof, to issue the Letters Patent or similar legal protection to the Assignee.

We authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all countries throughout the world.

We represent to the Assignee, its successors and assigns, that we have not and will not execute any writing or do any act whatsoever conflicting with this Assignment. We, our executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries. Further, we appoint James E. Eakin, 855 Oak Grove, Suite 107, Menlo Park, CA 94025, as our attorney-in-

fact to execute any and all documents necessary to perfect the interests of the Assignee in the invention and any patent application or patent related thereto in any country in the world. This assignment is made and is to be interpreted under the laws of the State of California, United States of America.
